**Nenaseck Field Archery Championship Shoot
and
MFAA State Field Archery Championship
Information Sheet**

Format – This is a dual tournament. The first tournament is the Nenaseck Field Archery Championship tournament, open to all shooters with no membership or minimum shoot requirements whatsoever. All shooters will be registered for this tournament. Second is the Massachusetts Field Archery Association (MFAA) State Outdoor Championship, open to those who are members of the MFAA and have shot a minimum of three MFAA outdoor shoots this season.

All participants will be entered in the Nenaseck Field Archery Championship tournament and medals will be awarded for the first three places in each class/style category.

Only MFAA members with three shoots this season will be entered in the MFAA State Championship – at no additional charge. State medals will be awarded to the first three places in each class/style category to those who qualify.

This competition will be a two-day shoot. One day will be a field round using all 28 targets at the club. The other day will be a hunter round again using all 28 targets. The club reserves the right to determine which round will be on which day. Saturday's start times are rolling starts from 8AM to 11:30AM. You will need at least two shooters, preferably three or four, to shoot together. Sunday's start time will be 8:30AM assembly with a 9:00AM shotgun start. Sunday's groups will be assigned based upon classes, styles and Saturday scores.

NAA Members – NAA members may become members of the MFAA for a \$10 fee. NAA members who are also MFAA members and have shot three MFAA shoots during the season are eligible for the MFAA state championship. All NAA members are automatically eligible for the Nenaseck Championship as there are **no membership requirements for that tournament.**

Attire – The NAA rules of attire will NOT be in effect.

Food/Drink – The clubhouse kitchen will be open serving food and beverages for a nominal fee.
