Granby's outdoor range is out of compliance, spoke with them regarding inspection and lots of work that needs to be done. July 3<sup>rd</sup> is their 1<sup>st</sup> shoot and Paul to remind them.

Charter renewal, annually every year needs to be done. NFAA sends documents to the contact name they have for the club, we have yet not received completed paperwork for either Granby or Woburn.

Both expired at the end of March. If you see them, please remind them. Paul also to forward email to remind them. Everyone else's Charters are up to date until fall.

Outdoor Nationals change in format. Was originally announced as mandatory 5 day shoot. Has been changed back to choose either 3 day or 5 day shoot in Darrington Washington, we should all support them, because Darrington was the town that was cut off from the rest of the world last year by landslides.
