Call to Order: 1:30 PM

Treasurer's Report: No quorum to approve Treasurer's Report.

Correspondence: Ruby Shannon received a letter from the Monument Beach Sportsman's Club stating that they had a disappointing turnout at their April 25th indoor shoot. They think it was weather related but are not sure. They would like to encourage all archers to participate in their shoots because they are working hard to promote their indoor tournaments by offering a nice archery range and great food. George Williams made a comment that we will probably lose Monument Beach as a MFAA member club if the turnout is not better at their shoots.

Ruby Shannon received word that one of our longtime members, David Chouinard from Nenameseck Sportsman Club, passed away on Sunday, June 20th. Our thoughts and prayers go out to him and his family.
