New Business:

1. Payment schedule was brought up for President, 1st Vice President and recording secretary who donated the funds back to the organization.
2. Board of Directors meeting coming up prior to the Las Vegas Shoot in February. One item on the agenda is the counting of the x ring as a 6 on outdoor shoots, either for pro or for all classes. A list of the agenda will be passes around or emailed, please let Paul know how you would like him to vote.
3. Ruby brought up that since NAA members are allowed to shoot as NFAA, we must be diligent about asking for cards to ensure they are NAA and that we make sure we get waivers for them and guess classes as well.
4. As most of us have heard: The Pequig Bowmans Club was broken into and vandalized. The damage was quite extensive. Paul Lewkowicz has sent around pictures and information to help the club in anyway we can. This kind of vandalism is very discouraging and hurts all of us. Pequig is trying to get everything fixed and cleaned up to reopen by January but they need all the help they can get. If you have some time or funds to offer, please give Roger a call at 978-394-0926 or forward any donations to: Pequig Bowmans Club PO Box 491 Athol MA 01331. The club phone was ripped out of the wall, but if it is fixed, that # is 978-249-6512. Pictures of the damage and information to offer help, has also been posted on the website: pequigbowman.com. We all hope these vandals will be caught.
